## Your Deep Journey Experience on Forest Row

1 Forest Row, Great Barrington, Ma 01230

If you can't use your own home during your deep journey, I offer my guidance in our home in my client healing space. The cost is \$40 for the day. You are welcome to stay on for as long as you need after the six hours of my Deep Journey Guidance are complete... to hang out, rest or journal.

During the summer months there is the possibility to spend some of the time outdoors in our garden. There is also a short trail through the forest that surrounds our community.

Forest Row is a small land trust community with 18 households all along our short cul de sac road. Our home at #1 is in the first quad building on the right with the tower on top, and the yellow entrance door.
