Overnight Accommodation on Forest Row

For clients, who live too far away to travel back and forth in one day, we offer overnight accommodation in our guest room on the lower level.

We ask for an additional \$50 per night.

During the summer months we offer a vegan breakfast in the garden for \$10.

(Seasonal fresh fruit with a gluten free seed and nut mix and flax or oat milk, plus tea or coffee)

You will have a private bathroom with shower down the hall.
